

# Assignment 2

## Airline Operations Dataset

Microsoft Excel Foundation  
Prepared by: Sabbir Hossain

### Dataset Overview

- Industry: Airline Operations
- Real-world flight operations dataset
- Topics: Formatting, Tables, Sorting, Filtering
- KPIs: Flights, Delays, Cancellations, Destinations
- Business analysis foundation

# 2016 Forecasts

Target YoY growth: 3%

Cancellation %:

2%

1.5%

5%

| Month           | 2015 Flights  | 2016 Forecast |
|-----------------|---------------|---------------|
| January         | 389           | 401           |
| February        | 356           | 367           |
| March           | 405           | 417           |
| April           | 391           | 403           |
| May             | 448           | 461           |
| June            | 417           | 430           |
| July            | 476           | 490           |
| August          | 457           | 471           |
| September       | 437           | 450           |
| October         | 405           | 417           |
| November        | 390           | 402           |
| December        | 414           | 426           |
| <i>Total:</i>   | <b>4,985</b>  | <b>5,135</b>  |
| <i>Average:</i> | <b>415.42</b> | <b>427.92</b> |
| <i>Max:</i>     | <b>476</b>    | <b>490</b>    |

| Month     | Airline/Carrier | National Air System | Weather |
|-----------|-----------------|---------------------|---------|
| January   | 8               | 6                   | 20      |
| February  | 7               | 6                   | 18      |
| March     | 8               | 6                   | 21      |
| April     | 8               | 6                   | 20      |
| May       | 9               | 7                   | 23      |
| June      | 9               | 6                   | 22      |
| July      | 10              | 7                   | 25      |
| August    | 9               | 7                   | 24      |
| September | 9               | 7                   | 23      |
| October   | 8               | 6                   | 21      |
| November  | 8               | 6                   | 20      |
| December  | 9               | 6                   | 21      |

# Report LAX Flights

*Flights:* **4985**  
*Delays:* **975**  
*Avg. Delay:* **52**  
*Cancellations:* **53**  
*Destinations:* **76**

| Airline           | Flights                                                                                 | On time | Delay | Cancel |
